

# Privacy statement Data Protection

The Classic and Modern Motorsport Club (CMMC) is a privacy-conscious organisation and is strongly committed to your right to privacy. That is why we have drafted a Privacy and Data Protection Statement, in line with the new General Data Protection Regulations.

## The General Data Protection Regulations

The new General Data Protection Regulations sets rules for processing personal information and applies to structured paper records as well as data held on personal computers.

## CMMC's Use and Storage of Data

The GDPR Act states that those who record and process personal information must be open about how the information is used and must follow the eight principles of 'good information handling'.

These principles state that data must be:

- Fairly and lawfully processed,
- Processed for limited purposes,
- Adequate, relevant and not excessive,
- Accurate,
- Not kept for longer than is necessary,
- Processed in line with your rights,
- Secure, and
- Personal data will not be transferred outside the European Economic Area unless the country provides an adequate level of protection.

If you believe that CMMC is not processing your personal data in accordance with these principles, please contact Richard Culverhouse.

## How does CMMC collect data?

There are several means by which CMMC collect personally identifiable data, for example:

- Through membership application form,
- From previous race entry forms held,
- By entering into email or telephone correspondence with a CMMC official.

## Personal information we may collect from you.
